Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current year. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

Revenue recognition	How the matter was addressed in our audit
See Notes-20 to the financial statements	
Accuracy of recognition, measurement,	Principal Audit Procedures
presentation and disclosures of revenues and other related balances in view of IFRS-15 "Revenue from Contracts with Customers" The application of the accounting standard involves certain key judgements relating to identification of the contract with a customer, identification of distinct performance obligations, determination of transaction price of the identified performance obligations, the appropriateness of the basis used to measure revenue recognized when a performance obligation is satisfied. Additionally, revenue accounting standard contains disclosures which involves collation of information in respect of disaggregated revenue and periods over which the remaining performance obligations will be satisfied subsequent to the balance sheet date.	 We assessed the Company's process to identify the impact of the revenue accounting standard. Our audit approach consisted testing of the design and operating effectiveness of the internal controls and substantive testing as follows: Evaluated the design of internal controls relating to implementation of the new revenue accounting standard. Selected a sample of continuing and new contracts, and tested the operating effectiveness of the internal control, relating to identification of the distinct performance obligations and determination of transaction price. We carried out a combination of procedures involving enquiry and observation, re-performance and inspection of evidence in respect of operation of these controls.
The Company reported total revenue of Tk. 762,847,130 for the year ended June 30, 2020. Revenue is disclosed in Notes-20.	 Tested the relevant information technology systems' access and change management controls relating to contracts and related information used in recording and disclosing revenue in accordance with the new revenue accounting standard. Selected a sample of continuing and new contracts and performed the following procedures: Read, analyzed and identified the distinct performance obligations in these contracts. Compared these performance obligations with that identified and recorded by the Company. Considered the terms of the contracts to

That full provision may not have been for all damaged, obsolete or slow moving stock. Cut-off procedure may not have been strictly applied. All necessary disclosures concerning stock may not have been made and the information is may not yet have been appropriately presented and described.	 Our procedures included the following to assess inventory provisions: Assessing the reasonableness of the methodologies applied by management for consistency with prior years and using the information obtained as evidence for evaluating the appropriateness of the assumptions made in the current year. Understanding, evaluating and testing key internal controls with particular focus on management's monitoring and review of provision for inventories. Evaluating the assumptions and estimates applied to the methodologies for slow moving, obsolete and damaged inventories Testing the estimated future sales values less estimated costs to sell, against the carrying value of the inventories. Recalculating the arithmetical accuracy of the computations. Testing, on a sample basis, the stock aging profile, expiry dates and the market prior used in assessing the net realizable values o inventories to the related supporting documents.
Key audit matter	
Recoverability of trade receivables	How the matter was addressed in our audit
Refer to notes 6 to the financial statements of the related accounting policies, judgments and estimates.	In order to test the recoverability of trad- receivables, we performed the following procedures:

· We evaluated the company's credit control

At 30 June 2020, the total receivables balance in note 6 was Taka 742,876,494 (2019: Taka 726,689,521). The recoverability of trade receivables and the level of provisions for bad debts are considered to be a key risk due to the significance of these balances to the financial statements, and the judgments required in making appropriate provisions.	 procedures and assessed and validated the ageing profile of trade receivables; We assessed recoverability on a sample basis by reference to cash received subsequent to year-end, agreement to the terms of the contract in place, and issue of credit notes post year-end, as necessary; We considered the appropriateness of judgments regarding provisions for trade receivables and assessed whether these provisions were calculated in accordance with the company's provisioning policies, IFRS -9 and / or whether there was evidence of management bias in provisioning, obtaining supporting evidence as necessary. We communicate management as to the recoverability of the older, unprovided amounts, corroborating management's explanations with underlying documentation and correspondence with the customer. Based upon the above, we are not satisfied ourselves that management had taken reasonable judgments that were materially supported by the available evidence in respect of the relevant receivable balances. We make comments in the basis of qualified opinion.

Other Matter

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

Other Information

Management is responsible for the other information. The other information comprises the information included in the Annual report but does not include the financial statements and our auditors' report thereon. The Annual Report is expected to be made available to us after the date of this auditor's report.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit, or otherwise appears to be materially misstated.

Responsibilities of Management and Those Charged with Governance for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with International Financial Reporting Standards, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with ISAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due
 to fraud or error, design and perform audit procedures responsive to those risks, and obtain
 audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of
 not detecting a material misstatement resulting from fraud is higher than for one resulting from
 error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the
 override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control.

TAKER & CO.

Ahmed Zaker & Co. CHARTERED ACCOUNTANTS

- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial information of the entities
 or business activities within the company to express an opinion on the financial statements. We
 are responsible for the direction, supervision and performance of the audit. We remain solely
 responsible for our audit opinion.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on other Legal and Regulatory Requirements

In accordance with the Companies Act 1994 and the Securities and Exchange Rules 1987, we also report the following:

a) We have obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit and made due verification thereof;

b) In our opinion, proper books of accounts as required by law have been kept by the Company so far as it appeared from our examination of these books;

c) the statements of financial position and statement of profit or loss and other comprehensive income dealt with by the report are in agreement with the books of accounts and returns; and

d) the expenditure incurred was for the purposes of the Company's business.

1.4 Principal activities and nature of business of the company

The principal activity of this Company is to carry on the business of manufacturing, producing, processing, buying, selling, converting of feed of poultry, fishery and duckery, production of all kinds of eggs, live stocks, high breed poultry and purchase and sales of hen cock, duck all types of cattle, goat, sheep etc.

2. Significant Accounting Policies:

As per the requirements of IAS 1: "Presentation of Financial Statements" financial statements comprise a statement of financial position at the end of the year, a statement of profit or loss and other comprehensive income for the year, a statement of changes in equity for the year, a statement of cash flows for the year and relevant notes along with disclosures.

Financial statements are made as at June 30, 2020 with the comparative amounts as at June 30, 2019 and are prepared under the historical cost convention on generally accepted accounting principles on going concern Basis. Financial statements have been prepared in accordance with International Accounting Standards (IAS) and International Financial Reporting Standards (IFRS) as adopted by The Institute of Chartered Accountants of Bangladesh (ICAB), the companies Act 1994, The Securities and Exchange Rules, 1987 and other applicable laws & regulations.

Specific accounting policies selected and applied for significant transactions and events are depicted below:

2.1. Going Concern

The company has adequate resources to continue in operation for foreseeable future. For this reason, the directors continued to adopt going concern Basis in preparing the Financial Statements. The current credit facilities and resources of the company provide sufficient fund to meet the present requirements of its existing businesses and operations.

2.2. Use of estimates, uncertainties and judgments

The preparation of financial statements requires management to make judgments, estimates and assumptions that affect the application of accounting policies and the reported amounts of assets, liabilities, income and expenses. Actual results may differ from these estimates. The estimates and associated assumptions are based on historical experience and various other factors that are believed to be reasonable under the circumstances, the results of which form the basis of making the judgments about carrying values of assets and liabilities that are not readily apparent from other sources. The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognized in the period in which the estimate is revised and in any future periods affected.

Basis of Preparation of the Financial Statements

The financial statements are prepared using the accrual Basis of accounting except for the cash flow information where the material class of similar item has been presented separately. As per the requirements of IAS 1: "Presentation of Financial Statements". The figures in the financial statements have been rounded off to the nearest taka.

2.3. Property, Plant and Equipment (PPE)

2.3.1. Recognition and Measurement

Property, plant and equipment are measured at cost less accumulated depreciation and impairment losses, if any. The cost of an item of property, plant and equipment comprises its purchase price and any directly attributable inward freight, duties and non-refundable taxes.

Where parts of an item of property, plant and equipment have different useful lives, they are accounted for as separate items of property, plant and equipment.

The Company recognizes in the carrying amount of an item of property, plant and equipment the cost of replacing part of such an item when that cost is incurred if it is probable that the future economic benefits embodied within the item will flow to the entity and the cost of the item can be measured reliably. All other costs are recognized in the statement of profit or Loss and other Comprehensive income as an expense as incurred.

In accordance with the allowed alternative treatment of IAS 23/IAS 23 "Borrowing Cost" finance costs have been capitalized for qualifying assets until the active development of the assets have been cessed or the assets is available for use or sale.

2.3.2. Depreciation on Fixed Assets

Depreciation on fixed assets is charged on reducing balance method. Depreciation continues to be charged on each item of fixed assets until the written down value of such fixed assets is reduced to Taka one. Depreciation on addition of fixed assets has been charged when it is available for use. The residual value, if not insignificant, is reassessed annually.

Rates of depreciation on various classes of fixed assets are as under:

Category of fixed asset Rate (%)

Freehold Land & Cost of Development	0%
Building & Other Construction	5%
Plant & Machinery	10%
Stand-By Diesel Generator	15%
Transport & Vehicles	15%
